AMENDMENT

S I R :

In response to the final Office Action dated August 19, 2005, please amend the subject application as follows:

Applicants file concurrently herewith a terminal disclaimer of any patent term resulting from the present application extending beyond the term of U.S. Patent No. 6,373,491, and thereby avoid the rejection of claims 2, 26, and 50.

Claims 9, 10, 22-24, 33, 34, 46-48, 57, 58 and 70-72 ultimately depend from claims 2, 26, and 50, and are therefore allowable for at least the same reasons as their respective base claims are allowable.

In view of the remarks set forth above, Applicants submit that the application is in condition for allowance. However, if for any reason the Examiner should consider this application not to be in condition for allowance, the Examiner is respectfully requested to telephone the undersigned attorney at the number listed below prior to issuing a further Action.

Any fee due with this paper may be charged to Deposit Account No. 50-1290.

Respectfully submitted,
